Mildmay is the still water of the piece, rapresented by Charles Wyndham. He knows something of the real character of Hawksley, but has to bear him in his house for want of a forged bill which Hawksley presented to the banking-house of Datdermen.

A quorum being announced, the Board was called to order and the roll of Alderympic & Co, while Mildmay was a partner nerein. That bill was in South America and pending its return, Mildway forbears to "open on him." Mildway contemplates a journey to Manchester to get this letter, By Alderman Vincent: Resolved, That his Honor the Mayor be, and he is hereby, authorized to transfer, in the name of the city, to A.
